President's Report

Dear Members,

I am writing to provide you with an update on the 2022/23 cricket season for Fitzroy Doncaster Cricket Club.

Having stepped into the role of President of a sporting club for the first time I must admit to being slightly naïve to role and all that comes with it. There is no doubt the ever-changing landscape for sporting clubs is becoming increasingly challenging to navigate. What has quickly become apparent is expectations of all stakeholders associated with clubs has increased significantly and that clubs need to be attuned to these expectations. Being attuned to these expectations does not mean clubs need to be all things to all people, but it does mean they need to have a strong understanding of their purpose and why they ultimately exist to ensure they are not pulled in directions that are contrary to this purpose. It also means that clubs need to harness the power of the collective (small and large contributions by everyone involved) if they are to rise above the ever-expanding necessary minimum requirements to operate and enjoy success both on and off the playing fields.

With this at the forefront of our thoughts and always mindful of what measures we use to determine success, the 2022/23 season although disappointing from an on-field results perspective, was another small step in the right direction. Despite the best efforts of the club and everyone involved, our teams did not perform as well as we had hoped and did not achieve the results we were aiming for. Not having a team competing in finals across all four grades was disappointing, however that being said, it was particularly pleasing to see the First & Third Elevens come home with a wet sail after Christmas and finish 10th & 12th respectively. It was also pleasing to see some of the green shoots, in the form of players progressing from our Dowling Shield Program, start to push through the surface and we look forward to seeing these players grow and develop in the coming seasons.

Whilst discussing on field performance I would also like to take a moment to recognise and congratulate our individual award winners and those outstanding performances documented at the back of this report. It would also be remiss of me not to mention those FDCC players who were selected to represent the club at both National and International levels in Season 2022/23;

- Aryan Sharma (Victorian U17 State Team)
- Ikroop Dhanoa (Victorian U19 State Team)
- Samuel Elliott (Victorian Sheffield Shield / Marsh Cup Teams)
- Glenn Maxwell (Victorian Sheffield Shield / Marsh Cup Teams / Australian National Mens White Ball Teams)

Further to discussions around cricket matters I would like to take this opportunity to thank Michael O'Sullivan, Gavin Keller, Sanahasa Fernando, Peter Thompson, Anthony Amalfi, Rohan French, First XI Captain Ejaaz Alavi and the leaders within our playing groups for their individual and collective efforts to further enhance our cricket program. It is also pertinent to mention here Michael O'Sullivan's enormous contribution to not only FDCC but also to all those that encountered him through the club. After nine years at the helm MOS has decided to call time and we thank him for making our club and our players better. We wish him all the very best in his future endeavours and know that he will always be a part of the club in some way shape or form in the future. I would also like to thank Sunny Fernando for his contribution to the club, his impact in the short time he was here was significant and it was great to see his coaching acumen rewarded with his appointment as Head Coach of the Greenvale Cricket Club. Finally on the cricket side of

things it was great to see the further development of the Dowling Shield program and the performance of our squad in the competition. The disappointment felt by all in our Semi Final loss was testament to the physical and emotional investment made by the players and their families to the program and the club. As mentioned afterwards it was the way the boys played within the competition that made the club most proud and a huge shout out to James Trevenen, Zac Macciocca and Sam Elliott with support from Wayne Stewart and Gary Trevenen for providing an environment that enabled players to thrive.

Off field we continued to make progress in improving our facilities and infrastructure. Whilst exciting to see the Lower Ground Pavilion completed prior to season's end, it was extremely frustrating to see the project stall around a Certificate of Occupancy. This meant only minor space usage and a constant source of frustration to all working in and around this constraint. A huge thanks and shout out here must be given to Malcolm Smith in his role as Chair of the Schramms Sports Club and his tenacious approach to pushing forward not only the Lower Ground Pavilion Project but also the upgrade (painting and minor repairs) of the Main Pavilion prior to the start of the season proper. The Schramms Sports Club continues to achieve improvements with Malcolm in the Chair. As always, we continue seeking incremental improvements to the turf and hard wicket practice areas and centre square turf management. A huge thank you is also required for the tireless work of Simon Black and Mitch Potts from Elite Turf Management for their work on our grounds last season. The proof was in the pudding regarding their efforts with a large jump up in Schramms Ground Ratings respective of the other Premier Cricket venues (see below).

PREMIER MAIN OVALS		Pitch	Outfield	
VENUE		OVERALL	OVERALL	TOTAL

19	Highett Reserve #2	2.75	2.27	5.02

Regarding our financial position this season, I am also pleased to report that for the eighth year in a row the club achieved a surplus. This was an outstanding result given our intention to re-establish our social calendar post COVID and ever-increasing costs. A huge thanks and recognition must be given to all involved (particularly the playing group) in making the season financially viable and contributing to its overall success. A special mention here to the playing group and their support of the 'Membership Drive' in the form of the FDCC Telethon. From this one simple event we were able to raise over \$10,000.00 and connect with a whole group of people who became official FDCC Social members. I would like to take this opportunity to thank all those that became members, turned up on match day to support the club and players and to our commercial partners (see **Club Supporters**) whose support is integral to the overall viability of the club. More details regarding the financial performance of the club can be seen in the Treasurer's report.

As always, I would like to acknowledge the hard work and support of the Committee members listed above in their respective roles. Your patience and support during the season has been very much appreciated and I would like to thank in particular Michael Fletcher, Graeme Cook and Gary Trevenen for their sage advice and mentorship. A huge thanks and special mention to Sean Pietersz, Leigh Watts and Jeff Harvey who no longer hold formal roles within the club (but support the club still from afar) but whose collective contributions have been profound.

A massive thank you to Wayne Stewart and Glenn Woolard taking care of match day responsibilities and to all our volunteers and others who have supported the Club in the following areas: scoring, social media, team managing, ground set up, training, and Thursday dinners. This includes, but is not limited to Almaaz Alavi, Daniel Sheers, Rupi Singh, Padam Chirmuley, Bruce Campbell, Mark Pasquali and Phil Smith (apologies to others who I have forgotten to mention). Special mention to Gary Trevenen who maintains an incredible oversight of our finances and has been available each week at training to lend a hand and all match days to manage our Frogbox live streaming. Also thank you to Hannah Gentz, John Rudd and Alan Melbourne who provided our social media content. Finally, I would like to congratulate Melbourne & Essendon Maribyrnong Cricket Clubs and all the other Premiers in Men's and Women's Premier Cricket this season, and as always, I would like to acknowledge Cricket Victoria and Manningham Council whose support is invaluable.

Having said all the above it is also important to look ahead to next season and embrace it with optimism. The club is in a strong position financially and the playing group have, over the off season, in the large part stuck together. The club is also excited around the strategic decision to increase investment within the cricket program via the appointment of new Head Coach Matthew Bremner, Development Coach Alex Lewis, and Bowling Coach Matthew Whittaker. We have also been extremely fortunate to retain Gavin Keller as our Senior Assistant who has formed great connections with our playing group and will be great mentor to Matt Bremner.

I look forward to seeing you all shortly as we emerge from the depths of winter and Go Lions!

President of FDCC

Matthew Elliott

Fitzroy Doncaster Cricket Club Inc.

Notes to the Financial Report for the Year Ended 30 April 2023

1. Statement of Significant Accounting Policies

1) Statement of Compliance

The Committee has determined that the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act (Victoria) 2012*.

These financial statements have been prepared in accordance with following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 108	Accounting Policies, Changes in Accounting Estimates and Errors
AASB 110	Events Occurring After Balance Date
AASB 1031	Materiality
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures

2) Basis of Measurement

The financial statements have been prepared on an accrual basis, are based on historical cost and do not take into account changing money values except where specifically stated.

2. Specific Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

1) Income Tax

The association is a not-for-profit organisation and is exempt from income tax under section 50-45 of the *Income Tax Assessment Act 1997*.

2) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of an asset or as part of an item of expense. Receivables and payables are stated inclusive of GST.

3) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

4) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities within twelve months.

5) Receivables

Receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

6) Inventory

Inventory held for sale or future use is measured at the lower of cost and net realisable value.

7) Investments

Investments are measured at their market value as at the end of the reporting period.

8) Plant and Equipment

Plant and equipment are carried at cost less accumulated depreciation.

The carrying amount of plant and equipment is reviewed annually by the Committee to ensure that it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal.

9) Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over each asset's useful life to the association, commencing from the time the asset is held ready for use.

10) Trade Creditors and Other Payables

Trade creditors and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days on recognition of the liability.

11) Prepaid Revenue

Prepaid revenue is revenue received in advance and represents the liability outstanding for goods and services not yet provided by the association as at the end of the reporting period.

Fitzroy Doncaster Cricket Club Inc.

Declaration by Members of the Committee

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Notes 1 and 2 to the financial report.

In the opinion of the Committee, the financial report presents a true and fair view of the financial position of Fitzroy Doncaster Cricket Club Inc. as at 30 April 2023 and its performance for the year then ended.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Matthew Elliott
President

Gary Trevenen
Treasurer

Date: 01 August 2023

Dear Gary,

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF FITZROY DONCASTER CRICKET CLUB

We have audited the accompanying financial report, being a special purpose financial report, of Fitzroy Doncaster Cricket Club, which comprises the balance sheet as at April 30, 2023, the income and expenditure statements for the year then ended, and notes comprising a summary of significant accounting policies and other explanatory information.

The Club's Responsibility for the Financial Report

The Club is responsible for the preparation and fair presentation of the financial report, and has determined that the accounting policies described in the notes to the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporations Act (Victoria), and are appropriate to meet the needs of the members.

The Club's responsibility also includes such internal control as the members and committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Club, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Accounting Professional and Ethical Standards Board.

Opinion

In our opinion, the financial report presents fairly, in all material respects, the financial position as at April 30, 2023 and its financial performance for the year then ended in accordance with the accounting policies described in the notes to the financial report

Basis of Accounting

Without modifying in our opinion, we draw attention to the notes in the financial report, which describe the basis of accounting. The financial report has been prepared for distribution to the owners for the purpose of fulfilling the Club's reporting obligations under Associations Incorporations Act (Victoria). As a result, the financial report may not be suitable for another purpose.

Captain's Report 2023

The 2022/23 premier cricket season was another memorable one for the Lions. This was the first pre-season in two years that was not affected by COVID lockdowns, and we were able to train together for the full three months. While COVID no longer posed a problem for cricket, the weather had other ideas. Unfortunately, the first six weeks of the season were washed out and the pre-season was extended to four and a half months. Safe to say everyone was chomping at the bit to get out there for our round one game against Prahran on the 5 November. The late start to the season resulted in a change to the fixture which meant our first red-ball game in 3 seasons had to wait until after the Christmas break.

As we always do at FDCC, in the 2022/23 season we placed great emphasis on our ACTIONS and culture, and we continued to drive high standards amongst the playing group. The 1st XI were looking to improve on our 13th place finish in the 2021/22 season. While the 1st XI got off to a slow start, we came home strong, winning our last five games, to finish 10th on the ladder and only miss out on a finals spot by five points. At the completion of round 15, the 2nd XI finished 14th on the ladder, the 3rd XI came home strong to finish 12th, and the 4th XI finished 15th.

It was great to see the young playing group sticking tight from the prior year, allowing us to maintain a stable playing list and introduce exciting new players to the club. The club remains very young in age but experienced in the number of games played. A total of 17 players played in the 1st XI. We had two debutants: Aryan Sharma and Jevon Kett. All our players, new and existing, made contributions throughout the season. Highlights included centuries to Liam Banthorpe and Jack Rudd, and a very consistent season with the ball for Kobe Smith.

From a 1st XI perspective, there were a lot of great learnings to come out of the season. We didn't start the season as well as we would have liked, however the Tuesday night T20 competition gave us a bit of freedom and we went out and played great cricket against strong opposition which resulted in us winning three out of the four games, placing us second on the ladder in our pool. Unfortunately, even with our strong performances, we were not able to progress through to the semi-finals as only the top team in each pool and one wildcard team made it through to the final four. Regardless, it was an outstanding effort by the team. A big highlight being the game against Northcote where, after a Matt Short blitz to start the innings, we fought back well to restrict Northcote to around the 150 mark. We were on track throughout the chase, and then needing six off the last ball to win, Charlie Simondson put one over the ropes to win us the game.

Back in the regular season, the white ball cricket was not quite going to plan in 2022/23 and while we were well and truly in with a chance in every game, we couldn't quite capitalize on our opportunities. The Christmas break came at a great time because with it came the start of red-ball cricket. The team jumped back into red ball cricket after not playing it for the prior two seasons, and performed well as if we hadn't stopped playing it at all. We won all four of the red ball games convincingly, getting extremely close to an outright win in two of the four games. To fall just short of the top eight was disappointing as we were in competitive situations in several games against strong sides but could not get over the line. I know this result in season 2022/23 will motivate us and make us hungry for next season and we will take a great deal of confidence from the way we finished off the season.

While it was disappointing for no sides to be competing in the final's series, it was great to see the development of players in all four XIs throughout the year. The teamwork, skills, and club bonding on show throughout the year is something to admire and it makes me very excited for the future of our club and the players coming through the grades.

On the Thursday selection night heading into the last game of the season, our legendary coach for the last nine seasons, Michael O'Sullivan, announced his retirement as coach of Fitzroy Doncaster Cricket Club. It is difficult to put into words the impact that MOS has had on myself and every single player that has come through Fitzroy Doncaster Cricket Club throughout his time at the club. Thank you, MOS, for the hard work, passion, dedication, guidance and support you have brought to our great club, and for nurturing the great club culture that we have today. Not only have you achieved the ultimate success as a coach (multiple premierships), but you have made each one of us a better person. You made time for every single person who walked through the club doors, whether it be a player in the 1^{sts} or 4^{ths}, a parent, supporter, or volunteer. The impact that you have had on us as a coach, but more importantly as a person, will never be forgotten! I wish you and Caroline and your family all the best for what comes next, and I know we will be seeing you around whenever you get the opportunity.

It was also great to have Sunny Fernando in his first season as assistant coach of the group. Sunny had a profound impact on every single player, and his drive and commitment to improving each player was immense. This has also been noticed throughout the competition and as a result Sunny has commenced as Head Coach of Greenvale Kangaroos Cricket Club for season 2023-24, a great reward for all the hard work. A big thank you to Sunny and we wish him all the very best for his new role!

It is an exciting time at the club, with new coach Matthew Bremner taking over this pre-season. Brem has been hard at work this off-season putting everything into place and I am excited to see the direction the club is heading in under his guidance.

Thank you to all the coaching staff, committee members, players, volunteers, and supporters who make our club great. Our club attracts and retains great people, and this is what drives the playing group to keep improving each year. The majority of the playing group have committed to playing together again in the upcoming season and we will be working hard to take our game to the next level and improve together as a group to continue the success of our club. I am looking forward to working with the entire FDCC family to continue to achieve this success and to bring our tight knit family even closer.

GO LIONS!

Bowling	Jacques Wessels	10 Wickets @ 33.80

Doug Rumble Trophy

Award	Trophy	Player
Best Clubman	Doug Rumble Memorial Trophy	Kobe Smith

Doug Rumble was a wicketkeeper who played 187 games for Fitzroy and University. He was born in 1955 and played his first game in 1970 at the age of 15, keeping to the likes of Eddie Illingworth and ‘Froggy’ Thompson, the most feared opening bowling combination in district cricket. He made 1658 runs, took 286 catches and 25 stumping's throughout his career. After two seasons at University, Doug returned to Fitzroy to become captain coach for the club for two years in the early 1980s.

Doug was tragically killed in a skiing accident in 1986, just before the commencement of the first season of the amalgamated Fitzroy Doncaster Cricket Club. He left behind his wife Glenda and two young children, Jessica, and Thomas. Fitzroy Doncaster lost a great clubman. Such was the respect of both Fitzroy and University had for Doug, the clubs now play for the ‘Doug Rumble Cup’ each time they meet. Doug earned this respect not only for the way he went about his cricket, but for the qualities he possessed as a person. On the field, you knew that if the side was in trouble, he would be the one fighting back in the lower order. Off the field, he was a great clubman, who was only too keen to help others. He was respected by both his teammates and opposition alike and was probably one of the most popular players in the game.

This trophy is not for the best wicketkeeper, it is for the player who has best demonstrated those qualities that Doug possessed as a player, a clubman, a teammate, and a friend. It is a very important trophy for the club to honor Doug’s memory, his contribution, and to encourage those qualities in the current generation of players.

A.E Liddicut Medal

Award	Trophy	Player
First XI Champion	A.E. Liddicut Medal	Liam Banthorpe

Arthur played 167 1st XI matches for Fitzroy Cricket Club over 23 seasons during the period 1914-15 to 1936-37. An all-rounder, he amassed 6855 runs at an average of 35.40 that included 13 centuries. Arthur also took 542 wickets at 17.09.

The club won its first premiership in 1930-31 against South Melbourne on the back of the great contribution of a century and a four-wicket haul from captain, Arthur Liddicut. He was a long serving committee man for the club and delegate to the Victorian Cricket Association for 39 years. Arthur is regarded as one of the club's greatest servants.

The A.E. Liddicut Medal recognizes the player in our Club considered the best player in the 1st XI based on the Jack Ryder Medal voting.
